Published: Monday, December 29, 2008

Trigon Refrigerant Group LLC has opened at 6222 Tower Lane, Suite B3, Sarasota.

The company is led by Roy Guilbault and is administered by Suzanne Sickmiller, president, and Diane Harris, vice president. Trigon specializes in providing refrigerant and refrigerant management solutions.

"Trigon offers free pickup and delivery, a refrigerant buy-back program, refrigerant recovery cylinder sales and services, and the most unique on-site recovery cylinder swap-out program in the industry," said Wayne Forbis, director of purchasing and product development.

Customers include residential and commercial HVAC and mechanical contractors, manufacturing and governmental facilities, and other general facilities.
