

TRIGON REFRIGERANT GROUP CONTINUES EXPANSION

Sarasota based company triples plant space and expands services

Sarasota, FL – (July 24, 2009) – Trigon Refrigerant Group LLC, with offices located at 6222 Tower Lane in Sarasota, Florida has tripled their plant and office space. Since its opening just one year ago, the company, which is owned by two women, has also added a second shift and greatly expanded the list of services that are offered to customers.

Trigon Refrigerant sells new refrigerants and purchases recovered refrigerants which they clean to strict ARI-700 standards and repackages them for sale in their newly expanded and well organized plant.

Trigon Refrigerant services accounts from coast to coast with programs that are tailored to each customer. "We are so pleased that we have accomplished this much in such a short time," remarked Suzy Sickmiller, President of Trigon.
