TRIGON'S FORBIS ACCEPTS BOARD OF DIRECTOR POSITION
Florida Division of ACCA Offers Board Position to Wayne Forbis

Sarasota, FL – (February 16, 2010) – Trigon Refrigerant Group LLC, with offices located at 6222 Tower Lane in Sarasota, Florida, is proud to announce that **Wayne Forbis** has been elected to the Board of Directors with the Florida division of (ACCA) *Air Conditioning Contractors of America*. Forbis has been with Trigon Refrigerant Group since its inception and is currently the Director of Operations for Trigon. "ACCA is a very beneficial resource to contractors in the air conditioning, heating, ventilating and refrigeration industries and I'm proud to accept my position as a member of the board. I look forward to providing insight that can continue to develop the strength of the association," remarked Forbis. For more information please visit www.trigonrefrigerant.com or call 877-378-1510.

About Trigon Refrigerant

Trigon Refrigerant Group, located in Sarasota, Florida, specializes in providing refrigerant and refrigerant solutions to customers of all sizes. This includes CFC, HFC,

HCFC refrigerants, refrigerant recovery, refrigerant reclamation (recycling refrigerant), refrigerant separation, and refrigerant packaging. Trigon Refrigerant Group is approved by the EPA to reprocess used refrigerant to ARI-700 standards. Customers include residential and commercial HVAC and mechanical contractors, manufacturing and governmental facilities, and other general facilities.
